Dear Customer,

Thank you contacting Scopus

Unfortunately, we are unable to add the requested title "INSTITUTION MODEL ON MANAGEMENT OF REGIONAL WASTE PROCESSING SITE" because this journal is currently being investigated to add the content further which will take approximately 2 months for the decision to be taken.

Hence I would request you to contact us after 2 months to assist you further.

Meanwhile, please let me know in case of any other assistance.

Kind Regards,

Nandhini R

Dear Customer,

Thank you for contacting Elsevier Customer Service. This is an automated acknowledgement to confirm that we have received your email.

For missing requests, you are expected to attach the final PDF version of the missing document. If you have not attached the PDF along with your original request, kindly do so via a reply email. If you are not able to secure the PDF we'll attempt to source one on your behalf, but this may result in delay in resolving your request or your request being returned if a PDF cannot be sourced.

Please be advised that it may take up to four weeks for any relevant corrections to be completed. We appreciate your patience in this matter.

For all future correspondence please quote your unique reference number provided in the subject header of this email.

Dear Support Team

My article has published to International Journal of Psychosocial Rehabilitation (<https://www.psychosocial.com/article/PR260901/21065/>). This attachment below is the PDF. Could you include the report into my scopus document, please?

Also, can you issue the Scopus ID to me and the other authors in the paper? Let me know about that.

Warm regards

Samsuri
