

## ABSTRAK

**Novia Rizky Massay.** NIM H.1710544. Kedisiplinan Belajar Siswa Pada Masa Pandemi Covid-19 di Sekolah Dasar Negeri. **Skripsi Pendidikan Guru Sekolah Dasar, Fakultas Keguruan dan Ilmu Pendidikan, Universitas Djuanda Bogor. 2021.**

Kedisiplinan belajar adalah kebiasaan diri dalam mengatur jadwal belajarnya, terbiasa mengikuti aturan yang berlaku di sekolah dengan kesadaran penuh, dapat mengikuti dan mengamalkan setiap aturan dengan rasa senang hati tanpa adanya tekanan. Latar belakang yang mendasari yaitu terdapat beberapa pelanggaran penerapan kedisiplinan belajar yang dilakukan siswa. Tujuan penelitian untuk mengetahui penerapan kedisiplinan belajar siswa selama pandemi covid-19 di kelas III SDN 03 Cihideung Udik. Jenis penelitian ini adalah penelitian kualitatif dengan desain penelitian studi kasus. Informan penelitian ini yaitu guru kelas dan tiga siswa. Teknik pengumpulan data yang digunakan adalah wawancara, observasi dan dokumentasi. Kredibilitas menggunakan triangulasi. Hasil penelitian menunjukkan bahwa kedisiplinan belajar siswa selama pandemi covid-19 yaitu 1) Kedisiplinan yang berlaku selama pandemi covid-19 di kelas III SDN 03 Cihideung Udik berupa protokol kesehatan 3M, kedisiplinan waktu belajar, memakai seragam sekolah, masuk sekolah tepat waktu dan mematuhi tata tertib sekolah, 2) Peran guru untuk meningkatkan kedisiplinan belajar siswa berupa pemberian PR dan pemberian ulangan harian seminggu 2 kali. Bentuk penerapan kedisiplinan berupa sanksi memberikan tugas secara berulang, nasihat, dan bimbingan, 3) Guru menjadi contoh teladan bagi siswa, sehingga membuat sebagian siswa berperilaku disiplin seperti disiplin belajar di sekolah dan di rumah, 4) Orang tua ikut serta untuk mengingatkan dan memerintah anak untuk belajar di rumah selama pembelajaran daring berlangsung, 5) Problematika yang dihadapi guru yaitu siswa tidak mempunyai kuota internet, tidak mempunyai atau mengerti aplikasi *whatsapp*, sinyal yang kurang mendukung, orang tua yang tidak memiliki *smartphone*, siswa yang tidak mempunyai jadwal belajar di rumah dan orang tua yang sibuk bekerja, 6) Beberapa siswa melakukan pelanggaran kedisiplinan belajar selama pandemi covid-19 yaitu tidak tepat waktu mengerjakan tugas, telat absen ketika pembelajaran daring berlangsung dan tidak tepat waktu dalam pengumpulan tugas, 7) Solusi yang dilakukan guru agar siswa disiplin yaitu memberikan tugas secara berulang dan memberikan buku paket sebagai alat komunikasi bagi siswa yang tidak memiliki *smartphone*.

## ABSTRACT

**Novia Rizky Massay.** NIM H.1710544. Student Learning Discipline During the Covid-19 Pandemic in State Elementary Schools. **Thesis for Elementary School Teacher Education, Faculty of Teacher Training and Education, Djuanda University, Bogor. 2021.**

Learning discipline is the habit of self in managing learning, accustomed to following the rules that apply at school with full awareness, being able to follow and practice every rule with pleasure without any pressure. The underlying background is that there are several violations of the application of learning discipline by students. The purpose of the study was to determine the application of student learning discipline during the covid-19 pandemic in grade III at SDN 03 Cihideung Udik. This type of research is a qualitative research with a case study research design. The informants of this study were the class teacher and three students. Data collection techniques used are interviews, observation and documentation. Credibility uses triangulation. The results showed that student learning discipline during the covid-19 pandemic was 1) Discipline that was applied during the covid-19 pandemic in grade III SDN 03 Cihideung Udik in the form of 3M health protocols, study time discipline, wearing school uniforms, entering school on time and obeying the rules. orderly school, 2) The role of teachers to improve student learning discipline in the form of giving homework and giving daily tests 2 times a week. The form of the application of discipline is in the form of sanctions for giving repetitive assignments, advice, and guidance, 3) Teachers are role models for students, thus making some students behave in a disciplined manner such as learning discipline at school and at home, 4) Parents participate in reminding and ordering children to studying at home during online learning, 5) The problems faced by teachers are students who do not have internet quota, do not have or understand whatsapp application, unsupportive signals, parents who do not have smartphones, students who do not have a study schedule at home and parents who are busy working, 6) Some students violate learning discipline during the covid-19 pandemic, namely not being on time for doing assignments, being late for absence when online learning takes place and not being on time in collecting assignments, 7) Solutions made by teachers so that students are disciplined are giving assignments repeatedly and give the package book s as a communication tool for students who do not have smartphones.
