Dear Dr. Dede Kardaya,

We write you in regards to manuscriptID MH2021117031153 entitled "Meat physical and chemical qualities of spent layer duck fed dietary supplemented *Garcinia atroviridis*" which you submitted to the Journal of Animal Health and Production.

Thank you for submitting your paper to Journal of Animal Health and Production. We have received the reports from the reviewers and on their recommendation have decided that we are unable to publish the paper. We include their comments below.

While it is always disappointing to have a manuscript refused publication, we would nevertheless wish to encourage you to submit further papers to Journal of Animal Health and Production, and look forward to receiving them.

Sincerely,

Dear Dr. Dede Kardaya,

We have received the reports from our reviewers on your manuscript, "Meat Physical and Chemical Qualities of Spent Layer Duck Fed Diets Supplemented with Garcinia atroviridis", which you submitted to Journal of Animal Health and Production with MH20220413030450.

Based on the received comments, your manuscript could be reconsidered for publication, should you be prepared to incorporate Major Revisions.

The comments and requests of the Editor and the Peer Reviewers are included below. Please share this information with all coauthors of the manuscript.

Editor's Comments:

- Review the peer review comments and requests carefully, and edit the manuscript accordingly.
- Include a separate point-by-point response file addressing the reviewers comments along with an explanation of any request of the editor or the reviewers that you do not address in your revised manuscript. Your list of responses should be uploaded as a Cover Letter in addition to your revised manuscript.
- Please colour (e.g. red in contrast to black text) all changes in the revised manuscript, without such coloured changes the manuscript may be returned or rejected.
- Verify the placement and accuracy of each reference in your manuscript as well as the accuracy of all of the values in your tables and figures.
- Please ensure that all author's names and their affiliations are placed correctly.
- Make every effort to address the remaining concerns and to resubmit your manuscript. If you anticipate an additional delay, or if you do not wish to resubmit your manuscript, then please notify us as soon as possible.
- Please keep your coauthors apprised of the status of the article throughout the revision process.

Please feel free to contact the Manuscript **Handler** coordinators if you have any questions regarding the submission process: info@manuscripthandler.com or +441252516907 (UK)

Your can login to your Author's Panel within 15 days to revise the manuscript.

Please submit your revised draft online. We do not process email attachment.
