

Indonesian Journal of Social Science (IJSR)  
(e-ISSN: 2175-5191)

**CERTIFICATE OF APPRECIATION**

10/08/2020

To Whom It May Concern,

This letter certifies that Dr. Sri Harini successfully completed a peer-review report for an article in consideration for publication by Indonesian Journal of Social Research (IJSR) of Universitas Djuanda. We express gratitude for Dr. Sri Harini's contribution to the peer-review process. Dr. Sri Harini's expertise as a reviewer has enriched the value of the *Indonesian Journal of Social Research (IJSR)*.

This peer-review report was verified on the 29th of July 2020. We have certified that Dr. Sri Harini's report is complete and that it satisfies the requirements of our evaluation rubric. Our approach to peer review seeks to be inclusive, founded on the most rigorous and merit-based two-way anonymous peer-review processes. IJSR takes intellectual integrity seriously. The publisher, editors, reviewers, and authors all agree upon a standard of expected ethical behavior, which is based on the Committee on Publication Ethics (COPE) Core Practices. Our policy can be viewed here:
